

Congratulations to the 24 staff and admin faculty who earned the Research Administration Certificate and 2.6 continuing education credits this month. They join 54 of their colleagues who earned the certificate in May 2017. Deborah Crawford, VP for Research and Mike Laskofski, Associate VP of Research Operations attended the ceremony and spoke about the commitment and importance of research administrators at Mason.

For more information on the 11-session course that covers topics ranging from how to develop proposals to how to close out an award, please access the OSP website: [Research Administration Certificate Program](#). See page 2 for ceremony photos.
