- Post Award Team: Check manage tags on new setups
- If human trafficking is tagged, send the award to contracts to review, even if it's an award that does not typically go to contracts
- Contracts will handle the initial certification form when they review
- Deliverable for certification should be set up annually (like NASA China certification)
  - o This deliverable will be assigned to the RA
  - o Email certification form to PI
  - o RA attach to the award record and mark deliverable complete
- Subs also must comply with completing the certification as well if they receive over \$500k for the items listed above
  - Contracts will take care of sub certs
